

## **CHIEF EXECUTIVE OFFICER – TBA NETWORK, SOUTH TYROL, ITALY**

### *Background:*

We are currently establishing a high-quality Business Angel Network based in South Tyrol, Italy that aims to invest in early stage Start-ups with a strong focus on the Alpine region (North of Italy, Austria, Switzerland and southern Germany). Key promoters of the network have significant experience in entrepreneurship and principal investments and will co-develop the network closely with the CEO.

### *Role:*

The CEO is a true all-rounder and combines investment skills with entrepreneurial spirit. He will have full responsibility to manage the network and will be the key facilitator connecting high-profile Business Angels, early stage Start-ups, technology experts and corporate partners.

### *Responsibilities:*

- Manages the Business Angel Network on a day-to-day basis
- Markets the network to current / prospective business angels and organizes events and meetings with the Alpine Start-up ecosystem
- Sources new investments, meets with founders and entrepreneurs, attends relevant conferences and networking events and follows up on new prospects
- Conducts detailed industry, business and financial due diligence on prospective investments
- Maintains knowledge of existing investments and monitors financial performance
- Supports portfolio company management teams on special projects

### *Requirements:*

- South Tyrolean: German, Italian and English speaking
- At least three years of experience in an operating / entrepreneurial role at a high technology company or in venture capital / early-stage investing / private equity / investment banking
- Good financial modelling, writing and presentation skills
- Good organizational skills
- Exceptional communication, interpersonal and networking skills with proven ability to develop and maintain effective business relationships
- Ability to perform at a high level without significant supervision
- Strong, active ties to start-up and VC communities

### *Remuneration:*

Remuneration and benefits are highly competitive.
